

WESLEYAN GUILD MET AT CHURCH MONDAY NIGHT

The Wesleyan Service Guild of the Woman's Society of Christian Service met at the Methodist Church met at the church Monday evening at seven-thirty for a business session and mission program.

Mrs. Priscilla Ringo, president, opened the meeting with the song "Jesus Savior, Pilot Me." Miss Mary Elma Prescott read the minutes of the last meeting in the church. The secretary, Mrs. Eva Easters, Mr. J. M. Rowe led the opening prayer.

Plans were made to have a special meeting once each quarter in the church for the purpose of some "Jesus Calls Us." Mrs. Stokes Haire, leader, gave an introduction to the program. Miss Ermine Prirkard gave the devotional from Matthew 5:1-22 and led the prayer.

"Work for the Night is Coming" was sung and the meeting was dismissed with the watchword.

REPUTATION... A SAFE GUIDE

We are proud of our enviable reputation and of the consistent good will and respect our clients and their friends—both of which have been quietly earned by capable, sincere service.

Save Your Fingers !!

Don't wear out your fingers shelling Peanuts when you can have them shelled on a Modern Sheller at a most reasonable price. We will operate two Shelling Plants this season—one at Damascus and one in Elba.

These new improved machines shell your peanuts without damaging them for planting, and you can save a lot of time and worry.

PERDUE NEWS

The health of this community is very good at this writing except for some colds and a little fever. Some days now—just a bit chilly.

Lots of people have planted a good crop of their garden seeds. Here's hoping they have pleasant sun-sunny weather on their gardens, and little chicks, too.

Mr. Clinton Boutwell is a visitor in our midst Saturday.

Mr. and Mrs. Braswell Chapman made a business trip to Dothan.

Mr. and Mrs. Jim Grissett and children spent Sunday with Mr. and Mrs. W. W. Wambles.

Misses Sam and Lee Dawning of Cullman, Ala., were pleasant visitors in our midst recently.

MISS BRIDGES SPEAKS
AT STUDY CLUB MEETING

The Three In One Study Club had its monthly meeting in the home of Mrs. James Martin, with Mrs. Sam Bridges presiding. Mrs. Bridges read from the study book, "The Truth of Life," that two members presented. The club unanimously elected Mrs. E. P. Giger and Miss Gladys Nix to membership.

A combination of guitars and jingles were attractively arranged about the apartments used in our study room.

Mrs. Orel Tillman, president, presided over the meeting which opened with the reading of the "Club Collection" by Mrs. Baxter Bryan. The meeting was followed by an important business session.

Roll call and minutes of the last meeting were read by the secretary. Mrs. Sam Bridges made the report of the Ladies Aid. Mrs. Palmer, chairman of the membership committee, read a letter of resignation from Mrs. Palmer. Mrs. Palmer stated that two vacancies existed. The club unanimously elected Mrs. E. P. Giger and Miss Gladys Nix to membership.

Circle Two meets with Mrs. Nola Barker.

Circle No. Two of the Baptist W. M. U. met Monday afternoon in the home of Mrs. Nola Barker with Mrs. Palmer, chairman. Mrs. Palmer taught a chapter from the study book, "The Truth of Life."

The Club was opened with a new member and one visitor. A total attendance of 25 was recorded.

Mrs. Tillman reported a donation of \$10 from the Elba Study Club to the playground project sponsored by the T. C. W. M. U. Mrs. Barker represented the library committee and gave its report showing ten members had read books from the rental shelf during the month of January.

The club voted to contribute a bulletin board for the library, one dollar to the District Scholarship Fund, and a dollar to the Elba Community Fund.

Each member was asked to contribute sheets and clothing for expectant mothers in the county, in connection with the Health Department's program.

The president appointed the following nominating committee for next year: Mrs. Pete Ellis, Mrs. Levy Morrow and Mrs. Harold English.

Mrs. Ellis Paul introduced the guest speaker, Mrs. Barbara Miller, who sang "The Queen" by Maxwell Anderson. At the conclusion of the delightful program, Mrs. Miller served refreshments, coffee, tea, Valentine cookies, red and white, and hot coffee.

Present for this meeting were Miss Bridges, Mrs. Grelf Tillman, Mrs. Baxter Bryan, Mrs. Jeff Carnley, Jr., Mrs. Roberta Childs, Mrs.

ELBA STUDY CLUB WINS CUP FOR LIBRARY WORK—

The Elba Study Club held its February meeting last Thursday evening in the home of Mrs. W. C. Brown, with Mrs. J. O. English assisting hostess. An interesting program of travel, based on the "Our Neighbor Tour," featured the meeting.

Bowls of narcissi, pots of pink begonia plants and Persian violets added a springlike charm to the setting.

Miss Mabel Brunson presided over the business and roll call and minutes of the last meeting were read by Mrs. J. A. Timmerman, secretary. Miss Brunson called attention to a number of absences without excuse, and instructed the secretary to read to the group the names of those absent.

Reports were made by the treasurer, Mrs. F. A. Farris, the literature committee, represented by Mrs. W. C. Farris; the membership committee, Mrs. R. L. Cooper, chairman, and the special project committee, Mrs. G. L. Cooper, chairman.

Mrs. J. M. Rowe, parliamentarian, reviewed the rules governing election of officers and gave helpful suggestions for a successful club.

Reports were made by the chairman of the library work, Mrs. Ada Shealy and Miss Sam Sawyer.

Miss Mabel Brunson is spending a few days in Birmingham with Mr. and Mrs. George Saxon and family.

"Work for the Night is Coming" was sung and the meeting was dismissed with the watchword.

Mrs. Ada Shealy and Miss Sam Sawyer of Fort Deposit spent the past weekend in Elba.

Miss Mabel Brunson is spending a few days in Birmingham with Mr. and Mrs. George Saxon and family.

Six Months .75
CASH IN ADVANCE

1940 BETTER THAN 1939!

The estimated cash income of
1940 was \$74,200,000,000 by Jesus
H. Jones, Secretary of Commerce,
who points out that this is ten
per cent below similar figures for
1939.It is interesting to note, how-
ever, that prices in 1940 were lower
than in 1939 and that the small-
er 1940 income bought as much
as more.In other words, the standard of
living of the people of the United
States in 1940 was probably about
the same as in 1939. We still have some grumblings
complaining about the "hard
times," which seem particularly
severe in ravishing the incomes of
the lower income families.It is possible, of course, that the
big income group has suffered
some loss of income, and that the
lower income groups have enjoyed
increased income. The naturally
arouses the ire of the wealthy
who foresee certain catastrophe
ahead, but it means greater sta-
bility in a sound structure of
the nation as a whole.ARTILLERY REGIMENT
PROMOTIONSCAMPLAND, Fla., Feb.
14.—The following promotions in
the 117th Field Artillery Regiment,
a big contingent of which is from
Alabama, were announced here today:To majors: Capt. Frederick M.
Jones, First Lieutenant; Capt. Com-
pany F; and Capt. Morgan F., sec-
ond lieutenant.To captain: First Lieutenant
Dowz S. Bryan, Battery D, Elba.To first lieutenants: Henry O.
Wilkerson, headquarters battery, as-
istant-Sgt.; James G. Bradley,
Battery B; Jep O. Taylor, Battery
D, Elba; and Captain Second Lieu-
tenant, and James M. O'Neal, head-
quarters battery, assistant adjutant
and personnel officer.FARMERS ARE ADVISED
TO TREAT COTTON SEEDAUBURN, Ala.—The time for
treatment of cotton seed with mercury
has rolled around again and J.
T. Belue, extension specialist in
cotton improvement, quotes a few
facts to justify proving that such
treatment is "good insurance" for
good cotton stands.Experiments and farm demon-
strations in a number of states
in the cotton belt have shown that
chemical treatment of cotton seed
with mercury often results in
much better stand and yields than
the untreated seed. The extension
agent has treated cotton seed with mer-
cury dust for the past two years
with very satisfactory results.Last year in Alabama there were
32,000 acres of seed treatedand treated by oil mills, ginneries
and county exchanges.Supplementing these were 631 bar-
rel cotton oil and treated, while
farmers made up the same from blue-
prints sent out by the Alabama
Extension Service. These power
and county exchanges treated
half a million bushels of seed.With 48 of the 67 Alabama coun-
ties reporting, Mr. Belue estimated
that 35 per cent of the seed planted
in the state was treated with mer-
cury dust. Some counties had
higher averages than others, the
range being from 10 per cent to
90 per cent.Mr. Belue cautions that certain
facts about Mercury dust should
be kept in mind. First, it does not
make good seed. Second, the dust
is most valuable in getting stands in
soil or damp weather. With unfavor-
able weather conditions, the dust
will not stick to the soil at the
depths required.The funeral was conducted by
Rev. Q. P. Jones of Elba at Beth-
any Cemetery. The body was laid
to rest in Bellamy Chapel, Beth-
any Funeral Home, in charge of Writ-
er Leon and Lena Mcintosh.

PINE LEVEL NEWS

BEFORE YOU CHOOSE

Before you choose a funeral service—ascertain these facts:
1. Total cost—including everything necessary.
2. Quality and dependability of all equipment recommended.
3. Reputation of funeral home.
Our policy in the first two facts is always available to the public. We repair and replace all articles in an open book throughout the community.

BONNEAU-JETTER
FUNERAL DIRECTORS
ELBA and BRANTLEY

The many friends of Mrs. A. C. Dunaway will regret to learn of her illness at Gibson's hospital in Enterprise where she is undergoing treatment, and trust that she may soon be well again.

Mrs. Ada Young and little daughter, Marilyn Sue, have returned from a visit to Montgomery. They leave this week to join Mr. Young in Mobile, where they will make their home.

Friends of Mrs. Ada Sheely will regret to learn that she is suffering from a broken ankle, suffered in a fall at her home here last Saturday.

GO TO CHURCH SUNDAY.

Save Your Fingers !!

Don't wear out your fingers shelling Peanuts when you can have them shelled on a Modern Sheller at a most reasonable price. We will operate two Shelling Plants this season—one at Damascus and one in Elba.

These new improved machines shell your peanuts without damaging them for planting, and you can save a lot of time and worry.
